C. In addition to the cost of food and novelties used for ODS staff, TCOODS is charged \$6.00 per night for each person staying overnight in camp. (The TCOODS cost for each staff person at ODS is a minimum of \$110.00. We know it's strange to be asking volunteers to donate toward their stay, but the money to pay for the cost of each staff person must come from somewhere.) Serving as staff at ODS does not require a donation to cover the costs. However, we hope that each person can contribute something toward the cost of his/her stay.

Bob the Builders, Neighbors, Fantastics, Stewards & YO! Staff should be in camp ready to begin camp preparation by 6:30 PM Friday & Senior Counselors should be in camp by 10:00 AM Saturday. S/he is asked to remain in camp until camp cleanup is completed Friday. (If possible it would be an incredible help for each staff person to help unload the U Haul etc. at Moses & Zippy's home at the end of the 2nd week after camp cleanup.)

Counselors & students are asked to NOT bring phones; so if you DO bring a phone, please do NOT use it where you can be seen or heard by counselors or students. Valuables can be locked up in a secure room in the lodge.

D. MAJOR RULES:

1. Outside of a doctor's care, there are absolutely NO drugs or alcohol allowed in camp. (Smoking of tobacco by adults is allowed only in restricted areas completely away from any areas students and counselors ever use. Also, adults are encouraged to keep medications locked up under the nurse's care in the Health Room as a prevention against theft or loss.)
2. No guns, pets or surfboards are allowed in camp.
3. Sixth grade students and all others will NOT be harmed in any way by anyone including staff.
4. I will abide by the "Outdoor School Rules For Adults."

E. "I understand that should I be found in violation of a major rule at camp, I will be asked to leave camp immediately, and I will comply."
